

# Mishap Prevention Brief

## 22d Air Refueling Wing Safety

Number: Sup-99-02

Expires: N/A - Supplemental

### *Use Your Brain - Avoid The Pain!*

### *Prevent Complacency In The Workplace.*

 *Always use the necessary PPE -  
Protective boots, hearing protection,  
reflective belts, etc.*

 *Familiarize yourself with all applicable  
T.O.s and guidelines for tasks to be  
done. Don't take shortcuts.*

 *Don't accept unnecessary risk! If  
you encounter a hazard, notify the  
appropriate agency and seek a  
corrective action.*

 *Report all injuries and damaged  
property immediately.*
